PeeWee Division

Half Moon Bay Review (P1) defeated Cullyvore Construction (P2) 4-2

Two late goals by **Cody Hassler** enabled HMB Review to move atop the PeeWee standings with a 4-2 win over Cullyvore Construction.

Zeb Miller jumped on a loose puck at the 2:39 mark of the first, but Cullyvore Construction's **Eion Bloomer** tied the score with a blast from the right faceoff circle just before halftime to send the teams into the locker rooms (let's just pretend we have them) at 1-1.

With **Matthew Kirkendall** off for tripping (he claimed it was a flop worthy of the football World Cup), Frank Lemos scored a shorthanded goal to make it 2-1.

But HMB Review came back, as **Allison Miller** fed **Denny Plank** (who has a big appetite for goals), and the big right-hander buried his 9th of the year to tie it up late in the third.

Midway through the fourth, HMB applied the PRESSure (get it? probably not, sorry) as Hassler jumped on a loose puck in the right faceoff circle and got the go-ahead goal. Then, with 2:30 remaining in the game, he added an insurance goal for the team's 5th win on the season.

Was it a legitimate trip or a World Cup flop? Only Jimmer Durso and Sammy Turner know for sure, as the refs wait for the trainer to administer first aid in the PeeWee division game

Happy Harte (P3) defeated Cullyvore Construction (P2) 4-0

Two goals by **Brody Menzies**, the PeeWee division's leading scorer, paced Happy Harte to the win, without Pace (Farbstein), over a game Cullyvore Construction squad. (I meant «game,» as in «tough», not «game» as in «gamey» (smelly).)

Menzies skated the length of the rink and beat the clock to get Happy Harte on the board as the first period ended.

In the second period, **Richard Moss** took a pass from Menzies in the faceoff circle and rifled one home. Midway through the third, **Aidan Garcia** set up on the right side and sent a slapshot between the goalie's pads to make it 3-1.

Cullyvore Construction goalies **Julie Dexter** and **Adam Bloomer** hung tough, but couldn't stop the onslaught. Late in the final period, a perfectly placed Matthew Williams' pass enabled Menzies to score his 11th goal of the year, to the lower-left corner of the net to move Happy Harte into second place in the standings with its 4th win on the year.

Bantam Division

Dr. Moody 6-1 over Dr. Stasun

Replacement coach Jackie Sullivan's savvy strategy led Dr. Moody to a 6-1 win on the strength of hat tricks from **Austin Murison** and **Mason Wessel**. **Evan Farbstein** tallied the lone goal for Dr. Stasun.

Dr. Stasun took the early lead when Farbstein scored on a rebound of a **Scott Brovarney** shot :45 into the game.

But Sullivan adjusted and stacked her offense with **Trevor Crespo**, **Evan Pemberton**, Murison, and Wessel, and the move paid off halfway through the first the period as Wessel evened the score, the first of six unanswered goals by Dr. Moody.

Murison the scored the first of his three as he took a Wessel feed and hit the upper left corner of the net.

A minute later, Wessel scored his second from the slot on a high wrist shot.

Early in the second period, Murison took the faceoff and scored on a low wrist shot, and Wessel got his hat trick, and 9th of the year, :23 later as he took a pass from Murison and snaked one past the goalie to make it 5-1.

Both defenses head firm in the third period, and Murison finished the scoring from in front of the net as he shot one high to the left corner for his 10th goal of the season.

Mason Wessel appears to be testing Dr. Moody goalie Michael Joshua, his own netminder, but in actuality the 4th-leading Bantam scorer knows where his goal is, and he tallied 3 times.

Squirt Division

Hank Modena Concrete (S3) over Palladino Painting (S2) 6-3

Leading scorer **Jacob Winstead** added 3 more goals to his lead-leading total and **Zane Cordero** added 2 more as Hank Modena Concrete defeated Palladino Painting 6-3. **Joe Gutierrez**, on loan to Palladino Painting, scored twice and **Morgan Hovermale** tallied once for the losing squad.

Cordero took the opening faceoff, skated in, and scored just 7 seconds into the game. A minute and a half later, Winstead wove through traffic and scored on a wrist shot, then repeated the process less than :30 later to make it 3-0.

But Palladino Painting cut into the 3-goal lead on a Hovermale shot with 4:11 remaining in the first, and Gutierrez scored the first of his pair with 2:36 left.

Cordero scored the second of his two goals :38 into the second period. Later in the period, Hank Modena Concrete extended its lead to 5-2 when **Antonio Roman** hit the back of the net.

In the final period, Winstead recorded his hat trick (his 5th of the season), before Gutierrez capped the scoring with 2:39 remaining in the game. Solid defense prevented Palladino Painting from making it closer, as Hank Modena Concrete moved to 6-2 on the year.

Dr. Maahs (B3) over Coastside.net (B2) 4-2

Tight defenses were on tap as Dr. Maahs relied on 2 scores from **Andrew Murray** and goals from **Connor Goodin** and **Joey Erdie**. **Josh Beck** and **Kyle Nelson** lit the red light for Coastside.net.

Johnny Mullin and **Tyler Olson** each let in only one goal in 20 minutes to lead Dr. Maahs.

Beck opened the scoring for Coastside.net, but Erdie got the equalizer when he knocked in a loose puck over the goalie's glove. With time dwindling down in the first period, Goodin scored on a pass from **Nik Gutierrez**.

Murray scored his first goal mid-way through the second period to make it a 3-1 game, but Nelson came through with a 5-hole shot early in the fourth to cut it to 3-2.

Murray sealed the victory with his 5th goal of the year at the 7:37 mark of the final frame.

Dr. Alborzi defeated Palladino Painting 3-0

Dr. Alborzi recorded its third shutout of the year as goalie **Charlie Miller** put a halt to the goal scoring goals of Palladino Painting. A pair of goals from **Sean Donnellan** paced Dr. Alborzi to its 6th victory of the year.

After a scoreless first period, Donnellan scored on a shot from the left faceoff circle for the game-winning goal. Just :19 later, he scored again on another wrist shot that lit the red light from the left faceoff circle.

After a scoreless second period, **Adam Mansell** one-timed a shot that was initially stopped on a beautiful saves, Miller, now playing center, alertly tucked in the puck for his 3rd goal of the season.

Dr. Alborzi played lock-down defense the rest of the way to earn the team's 12th point, and earn a tie with Hank Modena Concrete for the division's best record.
