

DoubleShot Contest Results

Three more deadeye shooters joined the list of DoubleShot finalists in last week's edition of our intermission contest. **Chelsea Nelson** (who is the first person to win 2 years in a row), scored on her first shot and **Clark Capers** and **Scott Kinzey** scored on their second attempts.

Participants who were unsuccessful but still eligible to qualify for the Aug. 3 finals included: **Josh Belardes, Chris Bruner, Robert Garcia, Cal Huntsinger, Scout Lansing, Dave Myhre, Sophia Padua, Allie Rausa** and **Ed Sassi**.

As we enter Week 7, only 7 of 50 DoubleShot contestants have scored. Of 98 shots taken, we've converted a relatively pathetic 7.1% of shots. (This time last year we were at 13.1%.) Two people scored on their first shot, and 5 have been successful on their 2nd (a 10.4% success rate). Practice makes perfect, folks, so let's all pledge to work hard to improve our success rate.

Those who score are eligible to compete in our DoubleShot DoubleShootout at halftime of the PeeWee Championship game on Aug. 3. Remember, there are plenty more opportunities to participate in the DoubleShot Contest! So volunteer now!

Stellar defense leads B2 Coastside.net to 6-0 victory over game B3 HMB Lions Club

Tyler Olson stopped 23 shots and 5 players scored goals as Bantam Division-leading Coastside.net defeated HMB Lions Club in a game much tighter than its 6-0 score.

Aidan Garcia opened the scoring as he one-timed a pass from Nik Gutierrez for the only goal of the first half.

Solid defense from backliners **James McKusick, Jeffrey Berner** and **Kyle Owens**, and 10 first-half saves from fill-in goalie **Casey Schwenk**, kept the vaunted Coastside.net attack off the board in the second period. Forwards **CJ Huntsinger, Evan Farbstein** and **Cody Hassler** were unable to penetrate the defense of brothers **Devin Menzies** and **Brody Menzies**.

A rousing speech by substitute coach Mike Gutierrez inspired the red-clad skaters, and his son Nik scored on a wrist shot just inside the post at the 3:42 mark to make it 2-0. After close misses by **Sam Vaughn** and **Scott Brovarney**, Coastside.net broke through in the fourth frame with a **Kion Mahrouzadeh** goal on a wrister from the right faceoff circle at the 8:39 mark. Though **Patrick Weston** was denied on his tip-in try, just over a minute later, **Connor Goodin** scored from the left circle, and half a minute later Coastside.net built a 5-goal lead on a **Joe Erdie** slapshot. Mahrouzadeh tallied the final goal on a low shot to the glove side to make the final score 6-0.

Week 6, Sunday, July 6, featured another overtime game and several close contests at the new Boys and Girls Club Rink.

PeeWee Division

P3 Dr. Stasun defeated P2 Dr. Moody 7-6 in OT

Ethan Glasman's overtime goal, his fourth of the day, led Dr. Stasun past Dr. Moody 7-6 in a see-saw game.

Glasman rebounded a shot by visiting player Zane Hovermale to open the game, and Hovermale extended Dr. Stasun's lead to 2-0 at the 5:09 mark of the first period.

In he second, guest Dante DiNapoli scored his first of three to cut it to one. Glasman hooked up with Hovermale again, then older brother **Morgan Hovermale** tucked in a rebound of a **Tom Martin** shot to make it 4-1.

But Dr. Moody would regroup, as **Joe Gutierrez** sent in a wrister high to the glove side, and with only :24 left in the half, guest player **Krister Lansing** put a snap shot through the 5-hole to make it 4-3 at the break.

Defenseman **Andy Olson** and goalie **Tom Beebe** continued their hot play for Dr. Moody as the second half opened, and DiNapoli scored just :39 in on a rebound from the left corner after a Lansing shot to tie the game, and DiNapoli put one in from behind the goal to give Dr. Moody its first lead with 3:21 remaining in the third.

Glasman corralled the ensuing faceoff, eluded the defense, and lifted a high wrister to tie the score just :12 later.

With time running down in the third period, Lansing scored his second goal low to the glove side to make it 6-5.

Morgan Hovermale's breakaway with 5:10 left in regulation was the lone goal of the final period, and the teams prepared for the 5-minute overtime. With 2:49 left in bonus time, **Ben Bray** worked the puck free in the corner and passed in front to Glasman, who won game for Dr. Stasun.

PeeWee Division

P4 Dr. Maahs defeated P2 Dr. Alborzi 10-6

Five players scored 3 goals each in the high-scoring affair won 10-6 by Dr. Maahs.

PeeWee Division leading scorer **Zeb Miller** got on the board first with a breakaway goal, then soon after fed **Zane Cordero** for his first of 3. Cordero lifted the puck over the sprawling goalie for his second, and then took another pass from Miller and deposited it in the back of the net for his hat trick and a 4-0 lead.

Skyler Globus continued the flurry of first-period scoring as he converted a pass from Miller, and then Miller fired in a powerplay goal with **Dante DiNapoli** in the Sin Bin for tripping to make it 6-0.

Netminder **Jordan Shepherd** allowed only one goal in the first period, but Dr. Alborzi finally got in the scoring column with :36 left in the first when **Krister Lansing** let loose a low wrister from the right faceoff circle.

Globus got that one back when he took a pass from visiting Squirt Peyton Pastorino and fired in a low wrister through the 5-hole.

Lansing went in on a breakaway goal, and then **Sean Koenig** scored a goal through the 5-hole with 2:29 to play in the half to make it 7-3.

With just :03 to play before the break, Miller scored his third goal on a pass from Pastorino.

The defense of **Sam King** and **Patrick Jones** stiffened in the second half, as they let only two pucks elude them the rest of the way.

Pastorino scored the only goal of the third period on a pass from Globus before **Adam Mansell** erupted for 3 fourth period goals of his own. First he scored through the 5-hole, then added an unassisted goal, before taking a pass from DiNapoli and finding a seam between the goalie's pads to make it 9-6.

Globus ended the scoring with his 6th goal of the season when he took a pass from Miller and sealed the win for Dr. Maahs, which moved to 3-3 on the year.

S1 Palladino Painting staves off S4 Pastorino Hay rally in 5-4 win

Palladino Painting won a close battle between division leaders by stymieing a late rally by Pastorino Hay and four goals by **Charlie Miller**.

Halfway through the first period, **Ethan Menzies** scored on a low wrist shot to the glove side after taking a pass from **Marek Palladino**, and Palladino extended its lead to 2-0 on a slapshot rebound. In the second period, Palladino Painting netted another when **Antonio Roman** took a pass from Menzies and found the back of the net. Palladino stole the puck and slapped one home to make it 4-0 after the first 20 minutes.

Miller got one back early in the third period as he perched in the slot and converted a one-timer off a pass from **Luca Padua**. **Graham Wylie** cashed in a low wrist shot to make it 5-1 before Pastorino Hay rallied.

Miller tucked one inside the far post to make it 5-2, and then scored his hat trick :20 later on a contested goal that barely eked over the line. Miller took a pass from **Dominic Padua** and slid a forehand through the 5-hole to make it 5-4 with just :42 left. **Billy Ginna** and **Coel Miller** were turned back by the defense of **Amanda Weston**, **Anthony Sassi** and **Maia Haley**, and netminder Menzies prevented skaters **Chase Hebb**, **Peyton Pastorino** and **Patrick Ginna** from tying the score.

S3 HMB Review defeated S2 Kulda Construction 5-2

Zane Hovermale's hat trick and strong goaltending by **Jessica Oseguera** led HMB Review to a 5-2 victory over Kulda Construction.

Hovermale scored his first with just 8.5 left in the opening period on a low slapshot through traffic after taking a pass from **Joel Glasman**. He extended the lead to 2-0 1:53 into the second as he skated coast to coast and scored on a low forehand.

North Cossman cut into the lead just :08 later when he took the ensuing faceoff, skated in and fired in a slapshot through the 5-hole.

Glasman scored off a pass from **Gloria Oseguera** to restore the 2-goal lead, and the teams went into the second break 3-1.

A flurry of activity in the wide-open third period saw Cossman score his second of the game and 7th of the season on a high forehand.

Sasha Kulda broke up several rushes by HMB Review, while **Taiten Hopkins**, **Tanner Islander** and **Grayson Capers** were solid in goal for Kulda Construction. But the HMB Review defense stiffened, led by **Sam Louderback** and **Indigo Kinzey**, and **Dylan Bazzill** and **Joey DeMeo** were kept off the board. Hovermale scored his hat trick on a low snapshot, followed 1:37 later by a final low wrister by **Griffen Dulay**, off an assist by Glasman to ice the game for HMB Review.

Bantam Division

B1 Cullyvore Construction defeated B4 Christine Maren Salon 10-5

Kyle Nelson had a hat trick, his sister **Chelsea** scored during the Halftime DoubleShot contest, and **Austin Elchinoff** and **Cody Dexter** each scored twice in Cullyvore Construction's 8-3 victory. **Evan Pemberton** had 4 goals in defeat for Christine Maren Salon.

Dexter opened the scoring just :28 into the game on a rebound of an Elchinoff shot, and 2:28 later the team added another on the first of Nelson's goals. The early flurry continued on a blazing Nelson slapshot, and the lead grew to 4-0 on a low wrister by Elchinoff, assisted by **Will Dexter**. **Mac Johnston** scored off an Elchinoff pass to make it 5-0 at the break.

In the second period, Elchinoff buried a high wrister, and Nelson scored his hat trick on passes from behind the net by Johnston and Will Dexter.

Pemberton got on the board for Christine Maren Salon on a pass from guest player Connor Goodin.

Christine Maren Salon returned from the break and won the third period, as Goodin got behind the defense and scored on a shot low to the glove side, and then Goodin fed Pemberton for a high wrister to cut it to 7-3. **Devlin Rocha** and **Kennedy Palmer** were effective in clearing the puck for Christine Maren Salon in front of backstop **Kian Kemp**.

Cody Dexter hit it on the paddle to score his second goal 1:36 into the fourth, and Pemberton countered by clanging one in off passes by **Chris Kessler** and guest player Tyler Olson, and then scored his fourth when he converted a pass from Olson to make it 8-5.

With lockdown defense from **Jack Fritz** in front of **Chris Bradley**, who made 14 saves, Cullyvore had the final say as it scored twice more. Elchinoff tallied his Bantam Division-leading 15th goal as he took a pass from Johnston, deked the defense, and rippled the mesh with a high backhand, and Cody Dexter ended the scoring as he lit the lamp by laying the lumber on the puck for Cullyvore's fourth win on the season.
